

NACM Gateway Region

Membership Categories and Guidelines

Full Member

Membership in the Association is open to all types of businesses conducting commercial credit transactions, whether secured or unsecured. Companies shall be represented by an employee responsible for the credit and collection function. An application for membership shall be made in writing and referred to the NACM/Chicago-Midwest Board of Directors for consideration in accordance with the rules and regulations of the Association. Companies holding Corporate, Executive and Premier memberships shall be governed by the same rules of membership as Full members and shall be similarly represented. The annual dues for regular membership is established annually by the Board of Directors. Membership entitles the designated representative of the member company all privileges and responsibilities of the Association and its affiliation with the National Association of Credit Management.

Associate Member

Corporate, Executive, Premier and Full member firms may enroll additional associate representatives. Associate members receive all the privileges of membership including voting, the right to sign a petition, or hold an elective office.

Professional Member

Shall be composed of law firms primarily engaged in the practice of credit and bankruptcy law; academia; and those in treasury or credit functions of municipalities. Each member shall have all the privileges of membership except the right to hold an elective office. This category excludes those professionals that are directly involved in the credit industry as suppliers of products and services, including collection services, to regular representatives.

Student Member

Full-time students are eligible for the Student Membership category. Yearly dues will be determined by the NACM/Chicago-Midwest Membership Committee. Student members are entitled to the same rights and privileges of an Associate member, but may maintain membership only while attending a high school or post-high school educational institution full-time.

Retired Member

Credit professionals achieving retirement are eligible for membership in the Association as a Retired member. A retired person shall be defined as one who no longer holds full-time employment in any field. Retired members enjoy all the privileges of membership including the right to vote, sign petitions, and hold an elective office.

Transitional Member

Credit professionals who are between positions and actively seeking re-employment in the credit industry qualify for this category.

General Membership Information

Membership entitles the designated representative all privileges and responsibilities of the Association and its affiliation with the National Association of Credit Management.

Right to Appeal

Any company, student or individual denied membership by the Membership Committee may appeal that decision to the NACM/Chicago-Midwest Board of Directors in writing, within 30 days of the Membership Committee's decision.

Association membership is an investment. You are investing in yourself, your company, and the credit industry. We are convinced that NACM Gateway Region is the best investment a credit professional can make. That is why we are able to offer you a 100% money back guarantee. All membership applications are contingent upon approval by the NACM/Chicago-Midwest Board of Directors at their next regularly scheduled meeting. If, for any reason, you are not satisfied with your membership any time during the first two months of your first membership year, we will refund your membership dues in full. We're sorry, but after the two-month period, no refunds on any memberships can be given.
