November 19, 2004

My company made the choice to go with NACM in January of this year. We were immediately impressed with the promptness, clarity, and thoroughness of the credit reports we received.

NACM has always been helpful with any questions we have had. They dig a little deeper when the need arises and get the job done.

I recommend them highly for a company's credit reporting needs.

A handwritten signature in black ink that reads "Paul Gaffron". The signature is written in a cursive style with a large initial "P".

Paul Gaffron
Lami Wood Products, Inc.
Accounts Receivable Manager
